

Cut 2 Outer
Cut 2 Lining
Cut 2 Fleece

The diagram shows a hand-drawn pattern for a hat. It consists of a large, rounded top section and a long, narrow neckband section. The top section has a curved upper edge and a straight lower edge. The neckband section is attached to the bottom of the top section. There are three lines of text written in blue ink inside the top section, and a small rectangular box with an arrow pointing to the neckband section and the text 'Cut on' written vertically next to it.

Cut on
